

Susan's Original Quiche

From the Company that Put Quiche on the Map

Almost 40 Years Ago ...

Our founder *Susan Axelrod* perfected the art of Quiche-making in her home kitchen in 1973, when her now famous recipes established *Love and Quiches* as premier supplier of the savory cheese tarts to local restaurants. Sleek and classic in size, *Susan's Original Quiche* is a snap to handle and yields superior results when heated. The balance of creamy, perfectly seasoned custard to particulates (cheese and/or veggies) is just right, and the crust is crisp, tender and oh-so-flaky. Accompanied by a soup or salad, a hefty 6 oz slice of *Susan's Original Quiche* is an *economical, nutritious* meal that's right for breakfast, supper, or any time of day (or night). It's *packed with protein and high in calcium* too.

One (6 oz) slice of our 10" Classic Quiche 8 Cut contains (on average*):

- 35% Daily Value for PROTEIN
- 20% Daily Value for CALCIUM

NO ARTIFICIAL TRANS FAT

SUPER EASY PREP—just thaw, heat & serve (portions can be microwaved)

2 GREAT FLAVORS—10" diameter / 8 Cut / 3.0 lb each / convenient 2 packs:

- **DELUXE SPINACH** Pre-cut 8 portions **QBD70108**
